

Be

Specification

BISLEY

Be is a dual aspect, integrated furniture and storage solution, which connects people and the workspace, creating environments that inspire performance.

The office landscape needs to adapt to a more agile way of working. Inspired by the need for a versatile, open working environment, Be offers perfect combinations for a mix of interchangeable workspaces. Adaptable zones foster collaboration and provide areas to meet, individual space to focus, with social areas to interact, relax and recharge.

Designed to be different, Be uses unique colour combinations, mixing wood and steel surfaces, with environments which cater for open and closed storage, and the power to display and perform.

Be is available in a pre-defined range of the most popular options or can be tailor-made to make an individual workspace.

Be: Perfect combinations for a connected workspace.

Features

Available in a pre-defined range of most popular options or create your own settings with the configurable option.

Dual-facing design to create different zones, each with distinct settings.

34 steel colours available as standard.

Seven laminate finishes available as standard.

Broad range of back panels including steel, laminate, glass, upholstered pinnable panel or a light box.

The choice to combine both steel and laminate finishes.

Integrated pin-plug and USB power as standard

Made in the UK.

Minimum ten-year guarantee.

Benefits

Contra-facing – Be enables you to create different zones, each with distinct settings to support multiple ways of working.

Highly customisable – Build completely unique configurations to support the individual needs of your workplace. Stack different elements together and choose from an assortment of additional features such as magnetic seating, writable glass or pinnable panels and power to support the way you work.

Specify – With such a wide range of configurations available, Be's adaptable approach helps you define what fits your organisation and maximises every square metre through the provision of storage, security, and power.

Colourful – Choose from an extensive palette of 37 steel paint colours or seven laminate finishes, enabling endless colour combinations and making customisation of your workspace simple.

Secure – Be offers practical storage and stowage solutions, giving all employees a sense of control, peace of mind and belonging while at work.

Display – With a range of shelving and display options including Frame Toppers, Be offers a stylish solution to display dressings and provide a multi-purpose functionality.

Accessories – A range of accessories available such as magnetic seating and Frame Toppers – supporting the needs of employee wellbeing, the modern workplace and each distinct setting you create with Be.

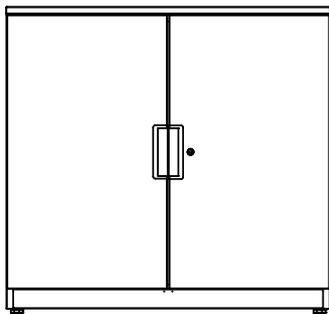

Power – Be is fully cable managed. Power outlets can be positioned to suit your needs, giving you the convenience of charging devices with pin-plug and USB sockets.

Range Overview

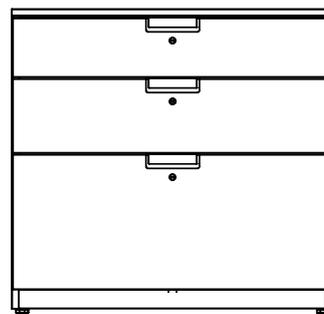

Be is available as a pre-defined range and a fully bespoke option, with a choice of heights, widths, colours, materials and finishes.

Below is an overview of the Be range showing some of the most popular types of units to provide the ability to display, store and stow.

Specification Notes

Locking options:

All Be units are listed with AB locks.

AB

Please note sliding doors are non locking.

For alternative locking options please speak to your Bisley representative.

Power options:

Power is only available in Be Lockers and open spaces.

Lockers

To add USB power to lockers please replace '**NP**' with appropriate suffix listed below. For example BH08071011**NP** becomes BH08071011**UK**

Open spaces

To add USB and pin plug to open spaces please replace '**NP**' with appropriate suffix listed below. For example BH08111134**NP** becomes BH08111134**UK**

Please note: Power location will be pre set.

For more information please speak to your Bisley representative.

UK USB power = '**UK**'

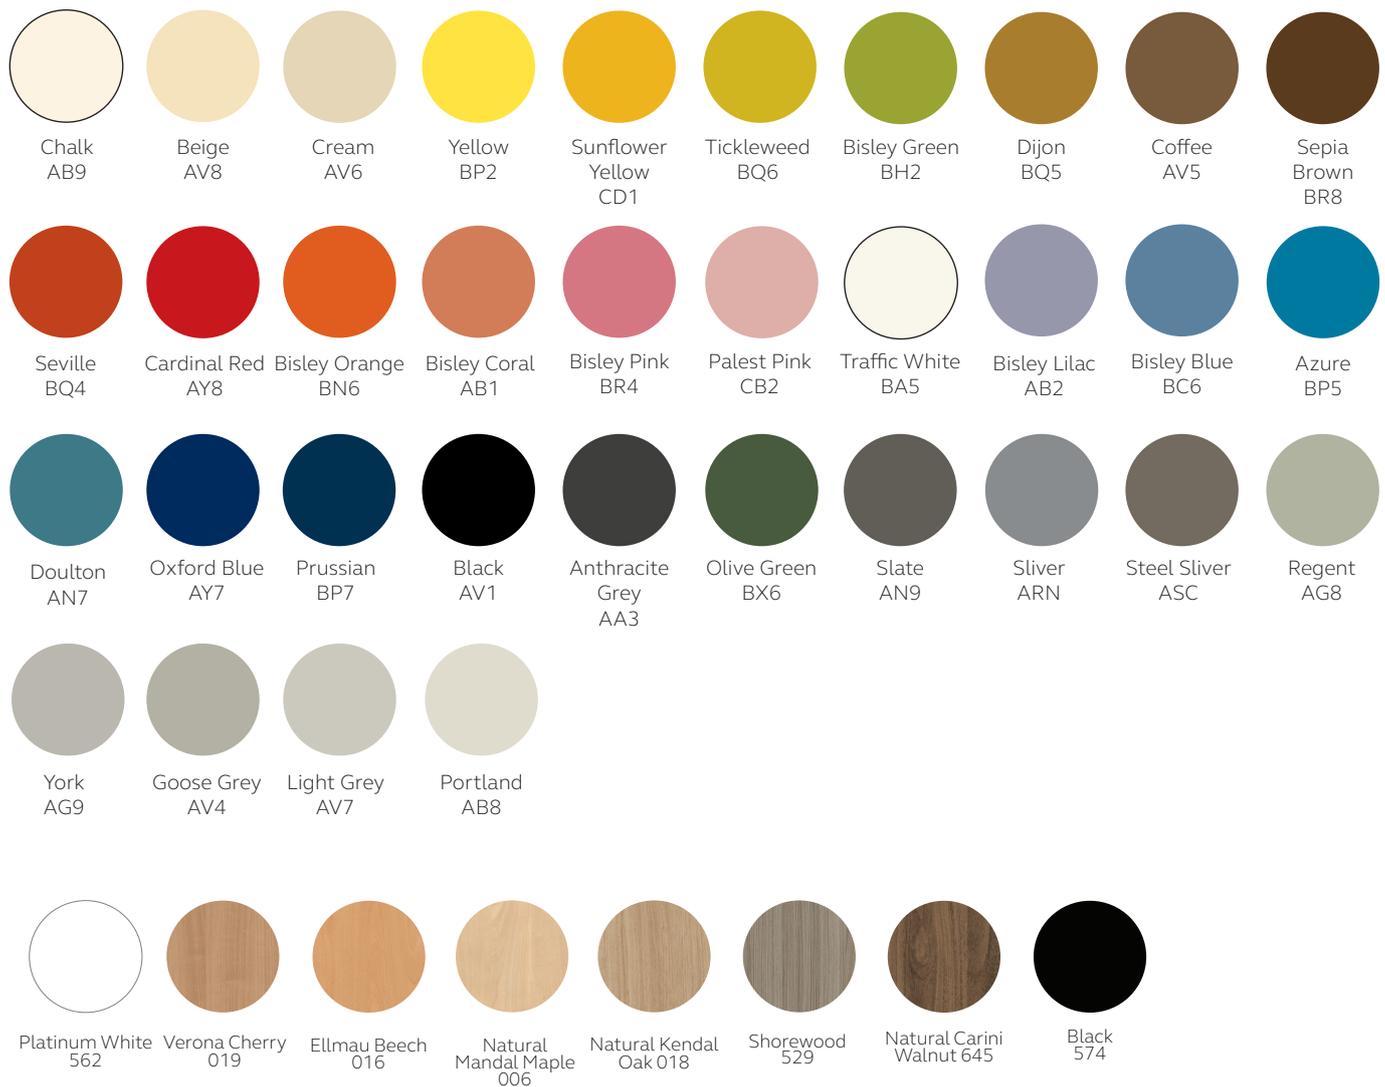

US USB power = '**US**'

French/Belgium USB power = '**FB**'

European USB power = '**EU**'

Finish options:

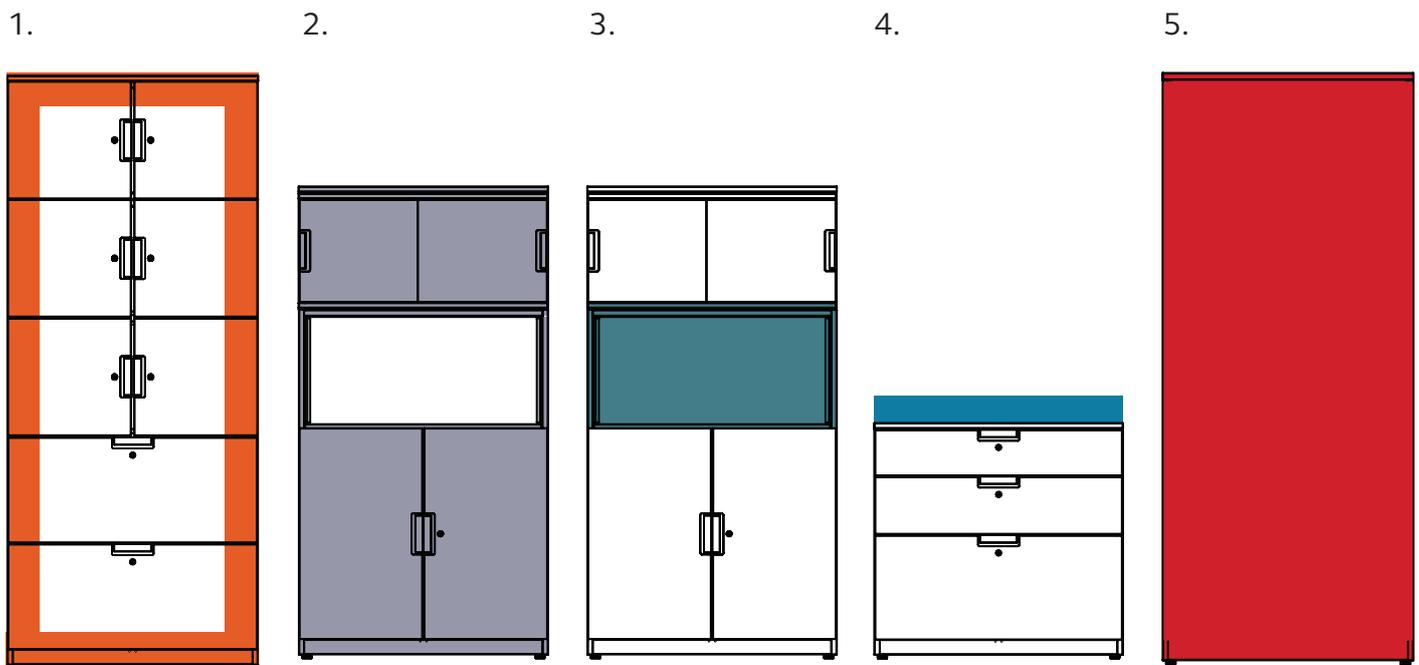

All Be units are available in the Vision paint and wood palette.

Additional materials

Seating and fabric back panels are available from the Camira Blazer range.

Finishes specification guide

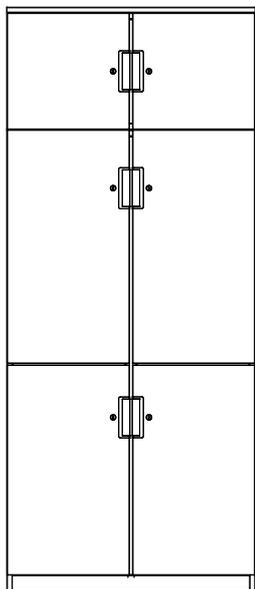

All items within the Be range allow you to select up to five different finish options:

- 1 - Steel frame – select from Vision paint palette
- 2 - Doors and drawers – select from Vision paint or wood palette
- 3 - Steel trim skins (open section) – select from Vision paint palette
- 4 - Top – select from Vision paint or wood palette
- 5 - Back panel – select from Vision paint or wood palette

Internal Compartment Dimensions

All 800mm (31.5") wide lockers internal width = 361mm (14.2")
All 1000mm (39.4") wide lockers internal width = 461mm (18.1")
All locker compartment internal depth = 400mm (15.7")
Please see internal compartment heights listed below:

342mm (13.5") high doors = 318mm (12.6")
380mm (15") high doors = 354mm (13.9")
684mm (26.9") high doors = 661mm (26")
760mm (29.9") high doors = 740mm (29.1")
