

LateralFile Lockers

Specification

BISLEY

LateralFile Lockers are a secure personal storage solution for the agile, contemporary workspace.

Available in a range of sizes, they fit perfectly together to create banks of lockers or can be combined with other products from the LateralFile range for a truly flexible approach to both personal and shared office storage.

LateralFile Lockers can be used to define spaces, as well as act as visual or traffic barriers; the six-person locker can even be used as an additional touch-down or meeting area.

Additional options such as power, postal slots, and personal drawers make this a very versatile product offering.

Features

Available in a range of locker heights, including single and double height compartments.

Comprehensive range of finishes available including steel and wood combinations.

A range of accessories available, such as internal shelves, postal slots and USB power.

Available with a selection of lock options as standard.

Sound dampening double-skin soft-close doors.

Levelling feet included as standard.

Business card holders included as standard.

Ten-year guarantee.

Made in the UK.

Benefits

Silent - The slamming of locker doors is a sound of the past, as soft-close hinges and double-skinned, sound dampening doors ensure a quieter approach to storage.

Powerful - The locker has become a secure charging station with the addition of USB power within each personal compartment.

Secure - Electronic, key or RFID, whatever suits you best. All locks are easy to use.

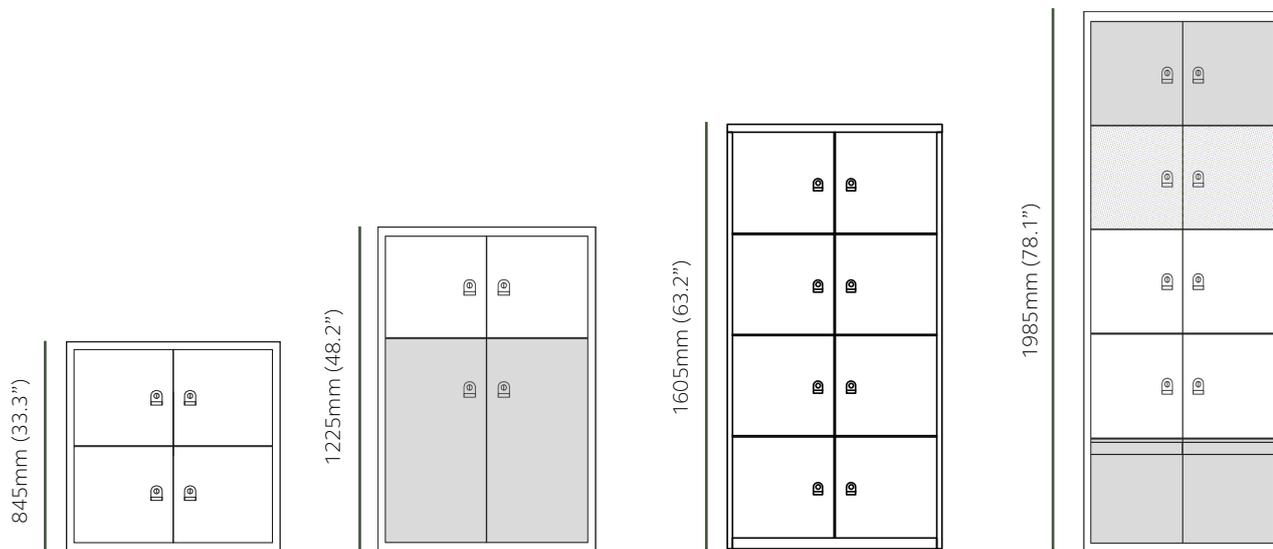

Colourful - Endless colour combinations and wood finishes make customising workspaces or reflecting a brand simple.

Customisation - Choose double height for hanging coats or stowing cabin bags, easy to access drawers at ground level or planter tops for relaxing greenery.

Range Overview

All lockers are 470mm (18.5") deep.

Available in two widths: 800mm (31.5") and 1000m (39.4")

Specification Notes

Locking Options

All LateralFile Lockers listed are based on steel doors, no power and AB locking.

For the below alternative locking options please change '**AB**' to the relevant lock code below. For example: L1061**SAB**X5SXP becomes L1061**SM3**X5SXP

AB

E4 (Private)

M3 (Private)

RF1 (Public)

Locker Enhancements

Postal Slots - W: 240mm (9.4") H: 26mm (1")

To include postal slots, please change the 9th character from **X** to **M**. For example:

L1061**SAB**X5SXP becomes L1061**SABM**5SXP

MFC Doors

To change to all MFC doors, please change the 6th character from **S** to **W**. For example:

L1061**S**ABX5SXP becomes L1061**W**ABX5SXP

Power

To include USB power, change the last 2 characters from '**XP**' to:

'**4P**' for USB **UK** power

'**5P**' for USB **US** power

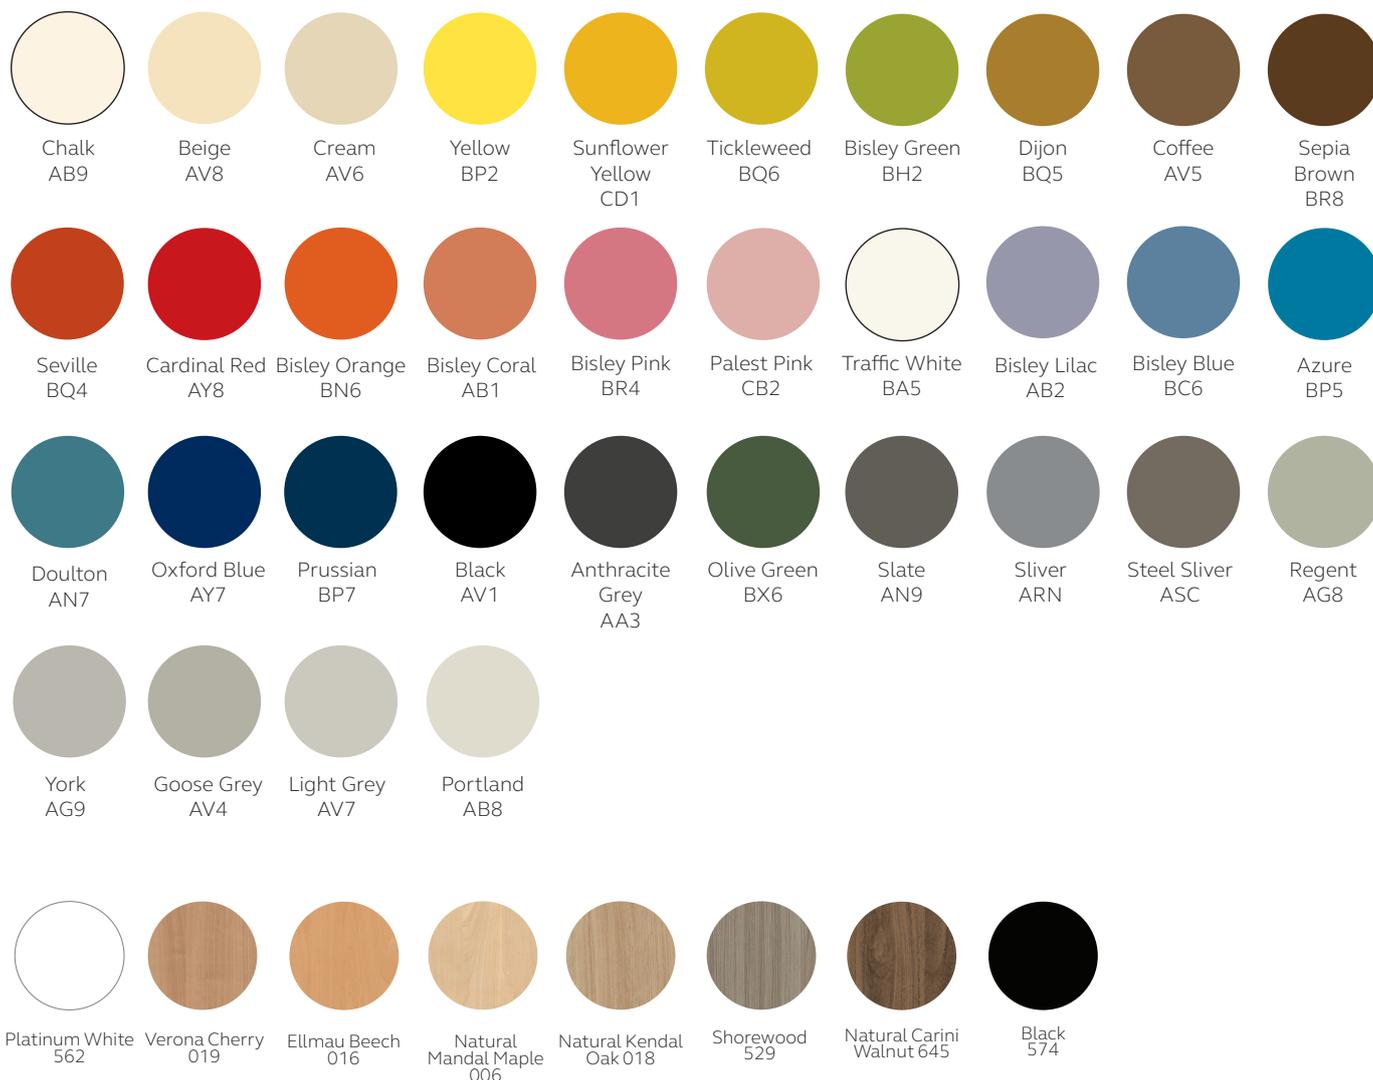

'**6P**' for USB **EU** power

For example:

L1061**SAB**X5**XP** becomes L1061**SAB**X5**4P**

Finish Options

LateralFile lockers are available in the Vision paint and wood palette.

Please note: Wood grain direction on doors will always be vertical.

Please note: Multiple door finishes are available in both wood and steel on the same lockers, Please refer to LateralFile Locker configurator on [bisley.com](https://www.bisley.com) to customise.

Business card holders are supplied as standard.

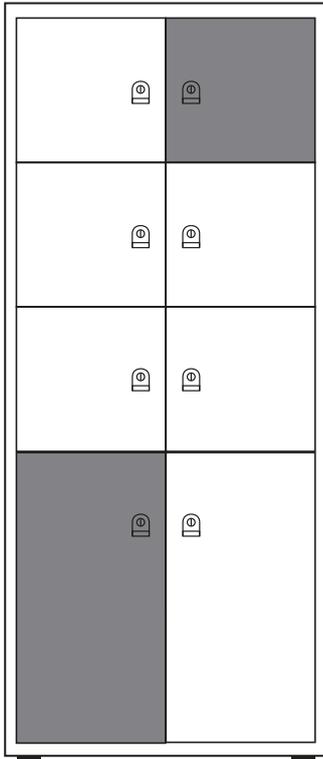

Internal Compartment Dimensions

800mm (31.5") wide LateralFile Locker compartment width = 358mm (14.1")

1000mm (39.4") wide LateralFile Locker compartment width = 458mm (18")

LateralFile Locker compartment depth = 450mm (17.7")

Please note: The below dimensions listed for height can be applied for both 800mm (31.5") and 1000mm (39.4") wide LateralFile Lockers.

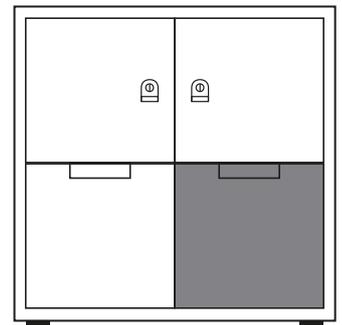

Single Locker compartment height = 358mm (14.1")

Double Locker compartment height = 743mm (29.3")
