

MonoBloc™ Lockers

Specification

BISLEY

MonoBloc™ by Bisley is the premium back of office storage solution. It provides attractive personal storage, allowing for coordination with existing workplace design, impactful brand statements and gives employees a sense of belonging.

Special attention has been given to the design and quality of these secure, long-lasting lockers, designed with clean lines, concealed hinges and discreet label holders.

MonoBloc™ is available in single columns and banks of up to four columns in one two, three and four door options. Why not group multiple units together to create one large bank of lockers to suit your personal storage needs?

You can choose from 12 colours to suite in with the existing environment or make an impact with a statement colour choice.

This versatile locker includes ventilation grills on the doors and optional features include sloping tops and benching, a plinth and a choice of two feet options.

Features

Available with up to four individual locker compartments per column and in banks of up to four columns.

Available in seven widths, one height.

Option to bolt multiple units together.

Ventilated locker doors as standard.

Discreet label holder on every door.

Factory fitted clean/dirty compartment dividers.

Additional extras include benching, sloping tops and a plinth.

Choice of two foot options – levelling feet or raised feet.

Option to add door numbering.

Variety of hooks and hanging rails depending on locker size.

Please note that MonoBloc™ lockers are not suitable for wet areas.

Benefits

Secure – With an AB lock as standard, you can choose to upgrade to a combination or hasp lock. Or, for alternative digital locking solutions, please contact your Bisley representative.

Sturdy – Hand-built to last, the steel carcass, doors and internals make for durable storage of personal items.

Colourful – External doors and carcasses can be finished in a choice of 12 colours to suite in with your brand and create a smart, welcoming personal storage area.

Ventilated – Ventilated doors allow air to flow through the locker, keeping personal items in the best condition.

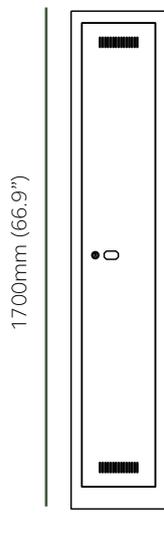

Clean/dirty dividers – Individual lockers complete with clean/dirty dividers are ideal for those who need to change from dirty overalls to clean clothes without cross contamination.

Specification Notes

All MonoBloc Lockers are listed with AB locking.

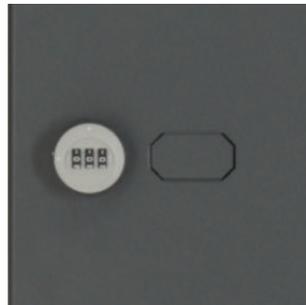

For alternative locking options, please use the relevant suffix listed below, for example:

For Hasp lock: ML04S1 becomes ML04S1**H**

H (Hasp lock)

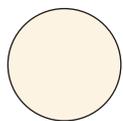

R (Rotary Combination lock)

For 'Same lock number' on AB locking, please add suffix '**X**' to original code listed, for example: ML04S1 becomes ML04S1**X**

For alternative locking options, please contact your Bisley representative.

Finish Options:

Chalk
AB9

Beige
AV8

Cream
AV6

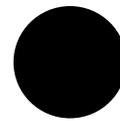

Coffee
AV5

Cardinal Red
AY8

AV7

Portland
AB8

Traffic White
BA5

MonoBloc lockers are available in the Classic paint palette.

For alternative finishes the below surcharges apply:

Performance paint palette

Performance paint palette = +5%

Vision paint palette

Vision paint palette = +10%

Optional extras:

Levelling feet:

To add height adjustable levelling feet, please add suffix '**L**' to original code listed, for example:

ML04S1 becomes ML04S1**L**

Moulded plastic locker feet:

To add moulded plastic feet, please add suffix 'F' to original code listed, for example:

ML04S1 becomes ML04S1**F**

Please note, the moulded plastic feet are available in light grey as standard, other colours are available on special request.

Factory fitted plinth:

For factory fitted plinth, please add suffix 'P' to the original code listed, for example:

ML04S1 becomes ML04S1**P**

If optional extras are specified such as levelling feet and an alternative locking option, please specify base first, then lock. For example:

ML04S1**LH**
