# Range Overview

## MultiDesk

---

Bring a Design Classic into your home or office and transform a 29 Series MultiDrawer into a multi-functional desk!

Perfect for smaller spaces, and with all the benefits of the iconic MultiDrawer, you can stay organised while working comfortably and maximising space.

With a 'multi-tude' of options, whether you already have a MultiDrawer or you're looking to buy one, the versatile Multi-Desk allows you to build your own unique arrangement to suit your needs. Elevate an existing MultiDrawer by adding a desktop, and choose from steel hairpin or beautiful wooden legs, as needed. Or, buy a desktop for two MultiDrawers to revamp your existing storage into a stylish & chic working desk.

## MultiSideboard

---

The MultiSideboard suites beautifully with the rest of the MultiRange. The sliding steel doors allow you to add a pop of colour to the room, matching your MultiDrawer or MultiDesk if you wish. Simple clean lines and a choice of steel hairpin or tapered wooden legs combine style with practical storage for any room. The Multisideboard provides a minimalist place to pop your printer or other belongings, with handy adjustable shelves, so that when you're finished with your work, you can pack your day away.

## MultiSling

---

Attach a classic icon to your desk. With technology and screens ever more present, desk space is at a premium. With Bisley's new MultiSling, you can be savvy with your space, without compromising on function. The MultiSling discreetly attaches to your desk and can be suited to perfectly match your MultiDrawer with 20 colours available.

The MultiSling is compatible with Mosaic hanging accessories.

## MultiTask

---

Take your organisation skills to the next level with the nifty new MultiTask from Bisley. A tray that fits perfectly onto your MultiDrawer, your go-to items will always be to hand. The MultiTask means that you can always keep your desk space clear, clean and calm – tidy desk, tidy mind. Available in 20 different colours to mix or match with your MultiDrawer or Mosaic range.

The MultiTask is compatible with Mosaic hanging accessories.
