

Platform & Mosaic

Specification

BISLEY

Platform

Elevate your working day with a Platform.

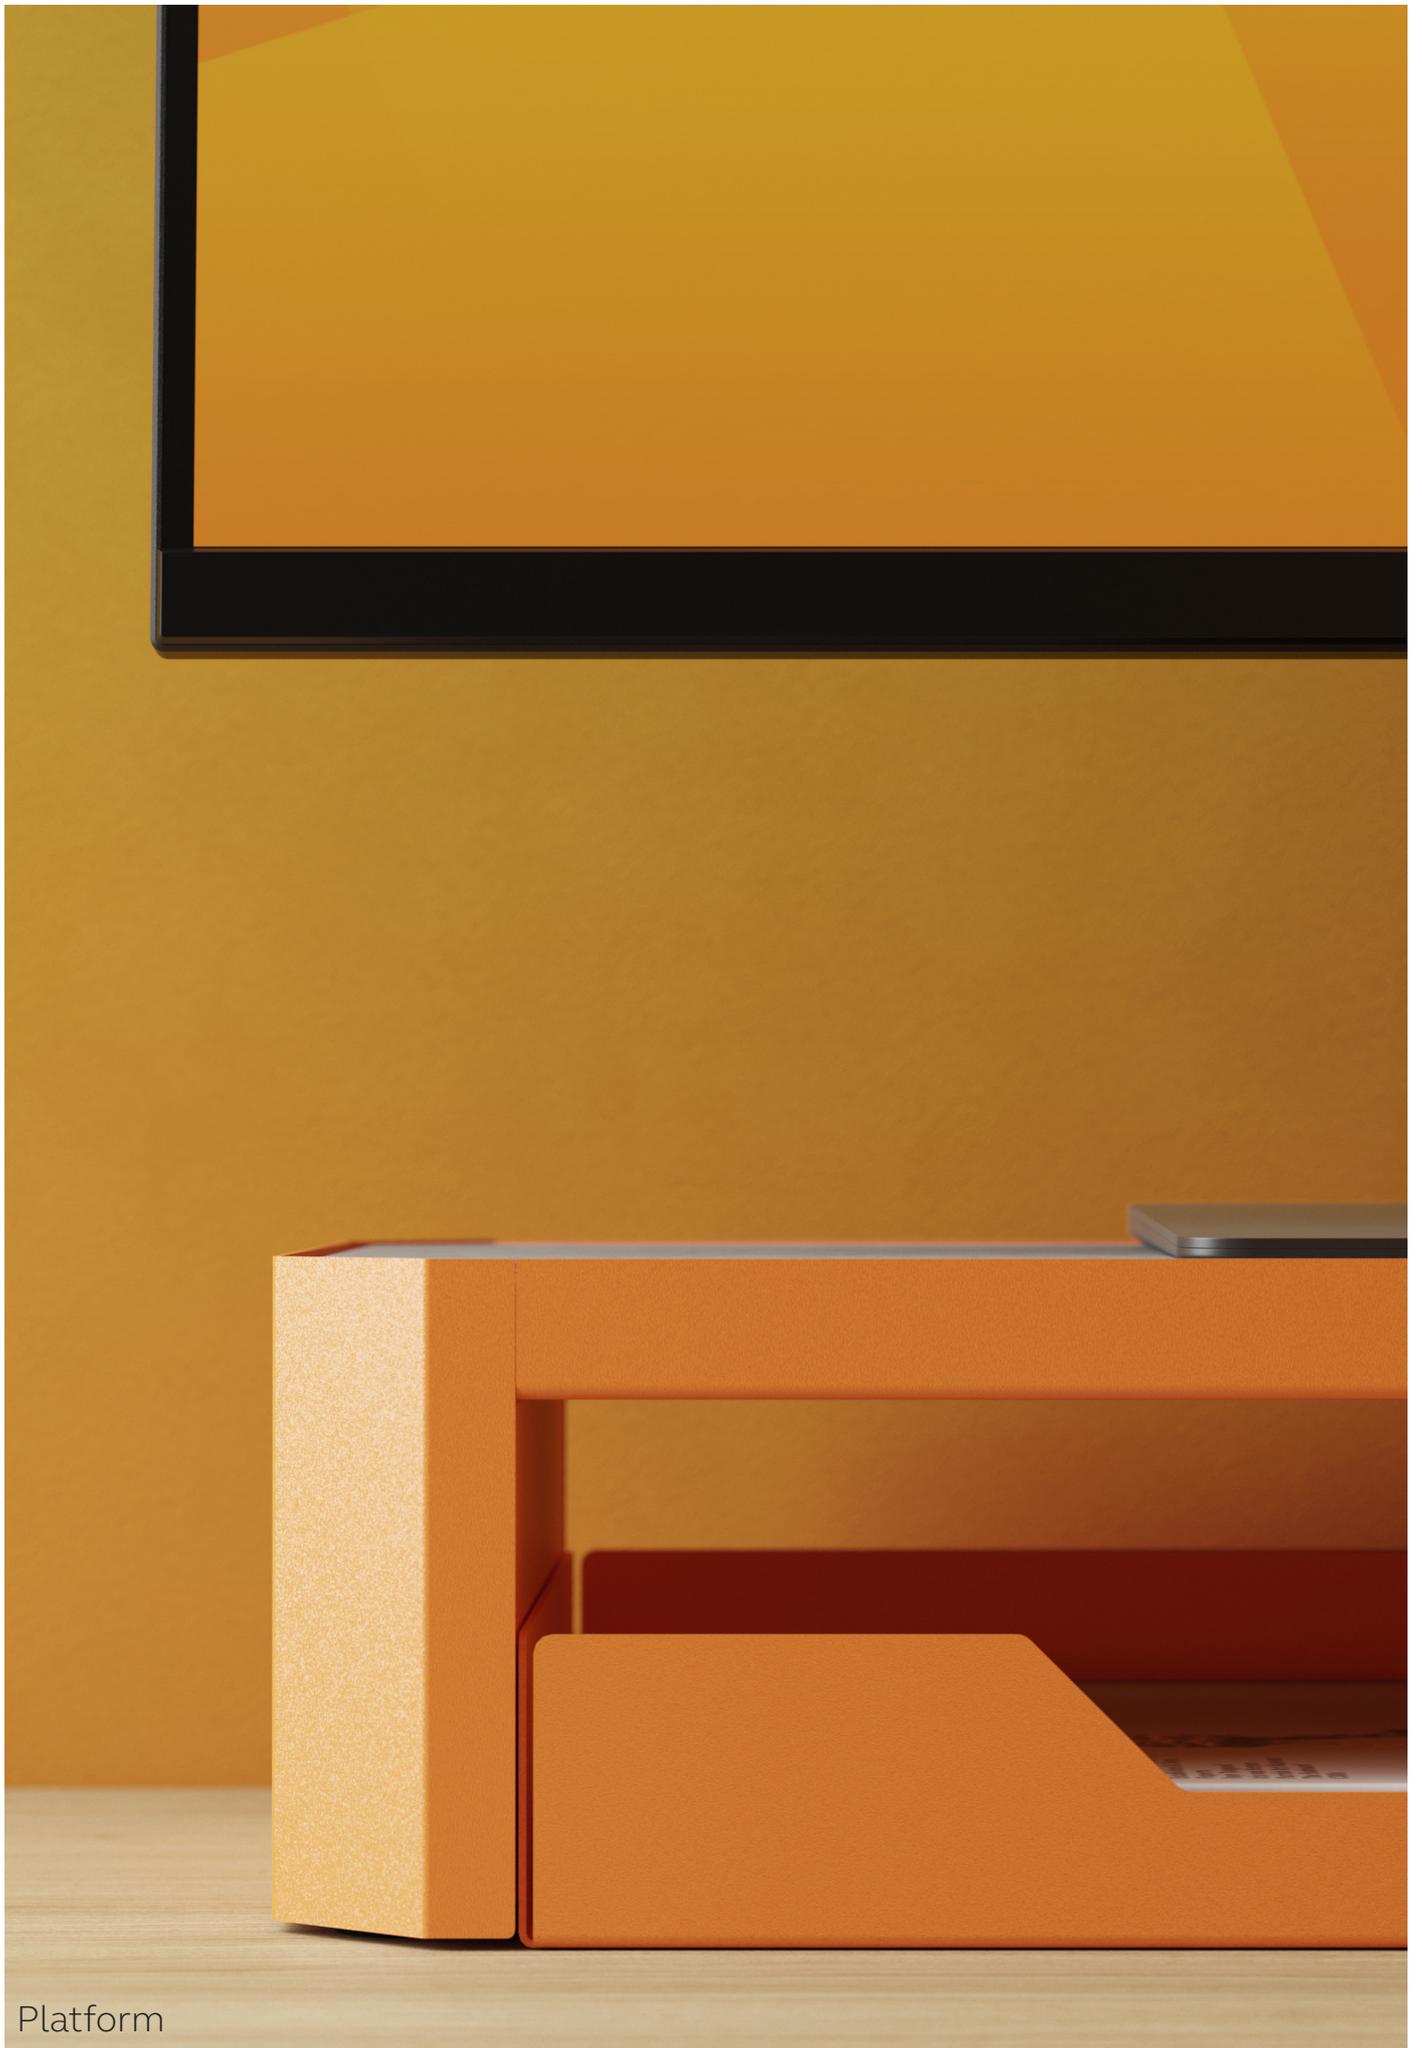

With many of us working longer or more flexible hours, it's vital to make sure your monitor is at the correct and comfortable height. Available in two widths to suit different screens and needs, Platform's minimalist design ensures that your display is always lifted. With a handy tray to pop your bits 'n bobs in, Platform keeps your desk tidy all day.

Platform is compatible with Mosaic hanging accessories.

Mosaic

Organise your work materials meticulously around you with Bisley's new Mosaic range. Handy desktop and hook-on trays and pots come in a variety of different sizes that can work together with your other work tools. Designed to complement many of our products and with a wide array of colour options.

MultiSling, MultiTask, Shadow, Platform and Hideaway Wall are all compatible with Mosaic hanging accessories.

Platform
