Helping you work better anywhere

PREMIUM, STYLISH AND VERSATILE – LATERALFILE IS THE SUPERIOR SYSTEMS APPROACH TO STORAGE.

High-quality, hard-wearing design with a strong reputation for timeless aesthetic appeal, makes this range the first choice amongst architects, designers and end users.

LateralFile enables an entire workspace to be specified in one range. It can meet the most challenging storage requirements, as well as subtly dividing spaces to create different working zones and break-out areas.

The range includes the popular LateralFile Lodge, a premium personal storage solution available in a range of sizes and configurations, offering both wood and metal finishes to complete the storage offering.

Finally, all products are customisable, offering a broad choice of finishing touches; a large selection of internal accessories, and a palette of over 34 colours allow for creativity and co-ordination.

POSSIBILITIES

Choose from 34 standard colours or specify a custom colour to match your branding and create a unique look. Frame each unit with a solid wood wrap to tie in with any existing wooden elements in the office, or add a planter top to support a healthier, more creative environment.
